Specific details and plan limitations are provided in the Summary Plan Description (SPD), which is based on the official Plan Documents that may include policies, contracts and plan procedures. The SPD and Plan Documents contain all the specific provisions of the plans. In the event that the information in this brochure differs from the Plan Documents, the Plan Documents will prevail.

Open Enrollment Period

This booklet will give you information about the benefits which are available to you. Please read the information carefully. To help you make important decisions about your benefits, Human Resources is available to answer any questions you may have.

Open Enrollment

Beginning on Monday, September 14, 2015 and lasting through Friday, October 9, 2015, all plan participants will be eligible to participate in the annual Open Enrollment period. During Open Enrollment, you will be able to change group medical plans and add/or drop dependent coverage.

Your new plan benefits will be effective January 1, 2016 and will run through December 31, 2016. In order to ensure a smooth implementation, you must make your changes through the Employee Assistance Center (EAC) no later than midnight on October 9, 2015. The opt-out waivers are due by 4:30pm on October 9, 2015.

Please call Human Resources if you have any questions at (949) 644-3300.

Helpful Hints

Read through this guide to familiarize yourself with what decisions you have to make. Think about your current benefit plans. Are they still working for you? Have you experienced any changes or do you anticipate any that might make a different plan more suitable?

Gather additional information. Use the websites and phone numbers on page 36 to see which doctors and other healthcare providers you can use under the different plan choices. If you have dependents on your plan that live out of state, check on provisions for coverage of members away from home.

Plan	Benefit Changes
CalPERS Medical	<ul style="list-style-type: none">CalPERS has increased its number of acupuncture and chiropractic services (combined) from 15 to 20 annual visits (PPO's only). Employees enrolled in a PORAC plan will pay \$20 for up to 20 visits, 10% for out-of-network acupuncture services and \$35 per visit for out-of-network chiropractic services.

Dependent Eligibility Verification

All employees adding/removing dependents must submit documentation to verify their dependent's eligibility and/or Qualifying Life Event. The following chart is an easy guide to what documents must be submitted along with the Health Enrollment/Change form.

	Enrollment Form Required	Marriage Certificate Required	State of California Domestic Partner (DP) Registration	Birth Certificate/ Certificate of Adoption Required	Social Security Number
Employee only	•				
Employee & Spouse	•	•			•
Employee & Domestic Partner (DP)	•		•		•
Employee & Children	•			•	•
Employee, Spouse/DP & Children	•	•	•	•	•

You are responsible for ensuring that the health enrollment information about you and your family members is accurate, and for reporting any changes in a timely manner. If you fail to maintain current and accurate health enrollment information, you may be liable for the reimbursement of health premiums or health care services incurred during the entire ineligibility period.

For example, if your divorce or dissolution occurred in 2013, yet you did not report it until 2015, your former spouse or domestic partner will be retroactively canceled from coverage effective the first of the month following the divorce or dissolution.

On page 6, you will find a detailed list of Qualifying Life Events, which must be reported to the HR Department so we can make the appropriate change to your health coverage. All Qualifying Life Event changes must be made within 60 days for CalPERS medical plans from the date of the event. Proper documentation is required, such as a copy of the marriage/domestic partnership certificate, birth/adoption certificate, or divorce/dissolution of domestic partnership decree.

For further clarification, please contact Human Resources at (949) 644-3300.

When You Can Make Changes

Other than during the annual Open Enrollment period, you may not change your coverage unless you experience a qualifying life event.

Qualifying life events include:

- Change in legal marital status, including marriage, divorce, legal separation, annulment, dissolution of domestic partnership, and death of a spouse.
- Change in number of dependents, including birth, adoption, placement for adoption, or death of a dependent child.
- Change in employment status, including the start or termination of employment by you, your spouse, or your dependent child.
- Change in work schedule, including an increase or decrease in hours of employment by you, your spouse, or your dependent child, including a switch between part-time and full-time employment that affects eligibility for benefits.
- Change in a child's dependent status, either newly satisfying the requirements for dependent child status or ceasing to satisfy them.
- Change in your health coverage or your spouse's coverage attributable to your spouse's employment.
- Change in an individual's eligibility for Medicare or Medicaid.
- A court order resulting from a divorce, legal separation, annulment, or change in legal custody (including a Qualified Medical Child Support Order) requiring coverage for your child or dependent foster child.
- An event that is a qualifying life event under the Health Insurance Portability and Accountability Act (HIPAA), including acquisition of a new dependent or spouse or loss of coverage under another health insurance policy or plan if the coverage is terminated because of:
 - Voluntary or involuntary termination of employment or reduction in hours of employment or death, divorce, or legal separation;
 - Termination of employer contributions toward the other coverage, OR if the other coverage was COBRA Continuation Coverage, exhaustion of the coverage.

Important—Two rules apply to making changes to your benefits during the year:

- Any changes you make must be consistent with the change in status, AND
- You must make the changes within 60 days of the date the event occurs.

If you make mid-year changes to your insurance (adding/dropping dependents), contact Human Resources and provide supporting documents within 60 days of the change in status.

Medical Benefits

The goal of the City of Newport Beach is to provide you with affordable, quality health care benefits. Our medical benefits are designed to help maintain wellness and protect you and your family from major financial hardship in the event of illness or injury. The City offers a choice of medical plans through the CalPERS Medical Program.

Anthem Blue Cross, Blue Shield, Health Net, Kaiser Permanente and UnitedHealthcare

Health Maintenance Organization (HMO)

Under the HMO plans, most services and medicines are covered with a small copayment. You select a Primary Care Physician (PCP) to coordinate your care. You have a choice between the CalPERS Anthem Blue Cross Select, Anthem Blue Cross Traditional, Blue Shield Access+, Blue Shield Net Value, Health Net SmartCare, Kaiser Permanente and UnitedHealthcare Alliance HMO plans.

Anthem Blue Cross

Preferred Provider Organization (PPO)

The Anthem Blue Cross PPO plan is designed to provide choice, flexibility and value. The PPO plan is a managed care organization of medical doctors, hospitals, and other health care providers who have contracted with the Anthem Blue Cross to provide health care at reduced rates to you. Participants have a choice of using network providers or going directly to any other physician (non-network provider) without a referral. There is an annual deductible to meet before benefits apply. You are also responsible for a certain percentage of the charges (coinsurance), and the plan pays the balance up to the agreed upon amount. You have a choice between the CalPERS Anthem Blue Cross—PERS Choice, PERS Select, PERSCare, and PORAC plans.

In order to ensure a smooth implementation, you must make your changes through the Employee Assistance Center (EAC) no later than midnight on October 9, 2015. The opt-out waivers are due by 4:30pm on October 9, 2015.

Why Would I Choose the PPO Plan?	Why Would I Not Choose the PPO Plan?
<ul style="list-style-type: none">• You have a doctor you like and you would like to keep this doctor.• You want to see specialists and other providers without having to first get a referral and/or pre-approval.• You want the freedom to see providers who are not in the network.• You are confident that you can manage your own care.• You do not want a primary care doctor.	<ul style="list-style-type: none">• You don't want the extra responsibility of managing your own care.• PPOs are not as closely regulated by the government as HMOs.• You do not want to pay the higher costs of a PPO.• You do not want to get bills from providers.

Required Federal Notices

Notice of Availability of HIPAA Privacy Notice

The Federal Health Insurance Portability and Accountability Act (HIPAA) requires that we periodically remind you of your right to receive a copy of the Insurance Carriers' HIPAA Privacy Notices. You can request copies of the Privacy Notices by contacting the Human Resources Department or by contacting the insurance carriers directly.

The Women's Health and Cancer Rights Act

The Women's Health and Cancer Rights Act (WHCRA) requires employer groups to notify participants and beneficiaries of the group health plan, of their rights to mastectomy benefits under the plan. Participants and beneficiaries have rights for coverage to be provided in a manner determined in consultation with the attending Physician for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits are subject to the same deductible and co-payments applicable to other medical and surgical procedures provided under this plan. You can contact your health plan's Member Services for more information.

Newborns' and Mothers' Health Protection Act Notice

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). If you would like more information on maternity benefits please contact your Human Resources department.

Required Federal Notices (cont.)

Availability of Summary Health Information

As an employee, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

The federal health care reform law requires that eligible members of an employer plan receive a Summary of Benefits and Coverage (SBC) for any medical and pharmacy plans available. The SBC is intended to provide important plan information to individuals, such as common benefit scenarios and definitions for frequently used terms. The SBC is intended to serve as an easy-to-read, informative summary of benefits available under a plan.

Notice of Choice of Providers

HMO plans generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in their network and who is available to accept you or your family members. Until you make this designation, your carrier will designate one for you. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact your insurance carrier directly.

HIPAA NOTICE OF SPECIAL ENROLLMENT RIGHTS FOR MEDICAL/HEALTH PLAN COVERAGE

If you decline enrollment in a health plan for your dependents (including your spouse) because of other health insurance or group health plan coverage, you or your dependents may be able to enroll in a health plan without waiting for the next open enrollment period if you:

- Lose other health insurance or group health plan coverage. You must request enrollment within 30 days after the loss of other coverage.
- Gain a new dependent as a result of marriage, birth, adoption, or placement for adoption. You must request health plan enrollment within 30 days after the marriage, birth, adoption, or placement for adoption.
- Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible. You must request medical plan enrollment within 60 days after the loss of such coverage.

For all other events, coverage will be effective the first of the month following your request for enrollment. In addition, you may enroll in a health plan if your dependent becomes eligible for a state premium assistance program under Medicaid or CHIP. You must request enrollment within 60 days after you gain eligibility for medical plan coverage. If you request this change, coverage will be effective the first of the month following your request for enrollment. Specific restrictions may apply, depending on federal and state law.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2015. Contact your State for more information on eligibility –

Important Notice About Your Prescription Drug Coverage and Medicare

Applies only if you have a Medicare Eligible Dependent

Medicare Part D (Prescription Drug) through CalPERS

Medicare Part D is a voluntary federal outpatient prescription drug benefit available to everyone with Medicare. The Medicare Part D premium varies based on the prescription drug plan and is paid to your health carrier as part of the CalPERS health premium. As with Medicare Part B, if your income exceeds established thresholds, the SSA will assess an additional income-related monthly adjustment amount. Payment of this amount is mandatory to protect your Medicare enrollment and eligibility to remain enrolled in a CalPERS Medicare health plan.

To be enrolled in a CalPERS Medicare health plan, you cannot be enrolled in a non-CalPERS Medicare Part D plan.

CalPERS Health Plans and Medicare Part D

CalPERS participates in the Employer Group Waiver Plan (EGWP). EGWPs are Prescription Drug Plans governed by the CMS.

If you are a Medicare-eligible subscriber or dependent, you are automatically enrolled into EGWP. If for some reason, you chose to opt out of EGWP, you will be financially responsible for all of your prescription drug costs. In addition, if you enroll in a non-CalPERS Medicare Part D plan, you are no longer eligible to remain enrolled in a CalPERS Medicare health plan. Consequently, you and all of your covered dependents will be terminated.

Contact the City of Newport Beach Human Resources Department for more details.

Do Not Enroll in a non-CalPERS Medicare Part D Plan

Your CalPERS coverage includes enrollment in a Medicare Part D Plan. Do not enroll in a non-CalPERS Medicare Part D plan. If you or your dependents are covered by CalPERS and another health plan that includes Medicare Part D prescription drug benefits, you must cancel that Part D coverage to enroll in, or continue enrollment in a CalPERS Medicare health plan.

Important Notice About Your Prescription Drug Coverage and Medicare

Applies only if you have a Medicare Eligible Dependent

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The City of Newport Beach and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- The City has determined that the prescription drug coverage offered by the City of Newport Beach is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th through December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you do decide to join a Medicare drug plan and drop your current City prescription drug coverage, be aware that you and your dependents will may not be able to get this coverage back.

Please contact us for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with The City of Newport Beach and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.
